Re: Security Screening for Volunteers

The bearer of this letter has applied to be a **volunteer** with the Miramichi Branch of SPCA. It would be appreciated if you would conduct a criminal background screening of the individual and advise us if there is any reason why this individual's presence would be a detriment to our organization. The individual would be working with the youth, the elderly, animals, and with some cash on hand.

Should there be any questions, please contact the undersigned. Thank you for providing this valuable service.

Sincerely,

A handwritten signature in black ink that reads 'Jennifer Arseneault'.

Jennifer Arseneault
Executive Director
